

Plan Ten Bed Addition to Drayton Valley Hospital

Dr. J.D. Ross, Minister of Health, stated last week that he has authorized the construction of a ten-bed addition to the Drayton Valley Municipal Hospital and some alterations to the existing hospital.

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA

Drayton Valley Municipal Hospital.

Bus Purchase Plan Shelved by Board

The Stony Plain School Divisional Board has decided to shelve contract negotiations with Western School Bus Lines and will seek to reach a new policy agreement with driver-owners in the division.

The board, at its regular meeting March 15th and 16th, heard representations from both the drivers and Western School Bus Lines.

Mrs. W. G. Johanneson, representing the Drayton Valley Chamber of Commerce presented a letter to the Board urging that the Divisional Board make public details of the proposed changes and also allow a reasonable period of time before adopting new procedures in order that all interested parties may be acquainted with its complications.

A letter was also read from the Gainford Chamber of Commerce objecting to the proposed contract with Western School Bus Lines.

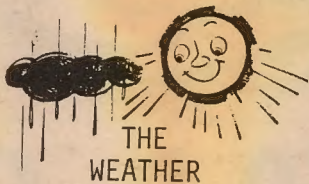

A delegation representing divisional school bus drivers presented a brief at the meeting and the spokesman, Mr. W. E. Goebel mentioned that the bus operators felt that a schedule should be drawn up for contract buses to bring about more uniformity in daily rates.

The board agreed to draw up a tentative schedule for

presentation to the operators for consideration.

Text of Resolution No. 67 concerning sale of school buses reads:- "in the future if any school bus is offered for sale by an individual contractor:- (a) applications be invited for a qualified person to operate the route, (b) that the Divisional Board offer to purchase the school bus in question at a reasonable appraised rate. However, if an agreement cannot be reached with the seller, then the new applicant will be free to purchase a suitable school bus for the route in question from a source of his own choice."

Mr. E. S. Brabbins of Western School Bus Sales met the Board and was advised that because of very bitter public opposition the matter has been tabled indefinitely.

Don MacKenzie, chairman of the local Hospital Board, in an interview with The Western Review, stated that little information regarding the proposed addition is available at the present time although he expects the addition to cost in the neighborhood of \$110,000, with construction possibly getting underway by early summer.

Other members of the local Board are O. Guze, H. T. Deby, L. Wall, E. Proehl and L. Stordalsvall. Mrs. Jahnke is the administrator.

General Plan Application Turned Down

Application by the Town of Drayton Valley to the Provincial Government Planning Board for cost sharing in the preparation of a general plan for the town has been turned down by the board.

The board has expended its budget for such projects for this year. Preliminary work was started last August by the community whose plan, the last one approved by the board for the following year, received the board's approval early this year.

Court Hears Tax Appeals

Members of Town Council sat as a Court of Revision on the real property assessment roll of 1966 in the Council Chamber on March 24th. Chairman of the court was F. E. Thompson and other members present included Harry Zolmer, Walter Krause and Mary Burrows.

Thirty complaints against assessment were heard and fourteen of these were accepted and amendments approved.

Three limestone blocks 63x13x10 feet in the Temple of Jupiter -- built in A.D. 150 at Baalbek near Damascus -- are the largest ever used in building.

Jill Kerr, chairman of the Junior High School Centennial Fund is shown above surrounded by clothes hangers collected by students in the first phase of the campaign. Behind her is the arena chart that will be marked off as the campaign progresses

Students Launch Centennial Drive

Students of Drayton Valley Junior High School have undertaken a campaign to raise funds for the Centennial Arena and Civic Centre.

It was launched last week with a clothes hanger drive

that earned \$16.00 and will be followed in succeeding weeks by a number of other projects all designed to help boost the Centennial Committee's fund drive.

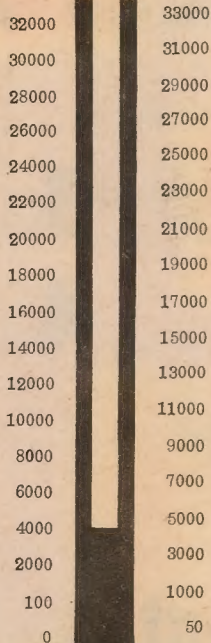

Project title is, "Let's Paint the Arena" with a goal of \$200. An outline drawing of the arena is posted on a wall in the school and as funds are raised the drawing will be blacked out indicating progress of the drive. Chairman of the school's Centennial Fund Committee is Jill Kerr and Fred Kaarsemaker is president of the Student's Union.

Included among other activities planned is a baby sitting service by Grade 7 and 8 girls, and some boys, with half the fee collected going to the fund. Baby sitters can be arranged through Donna Torgerson, 542-4046 or Judy Rennie, 542-3158.

Other projects will include a bake sale in late April, a car wash and a penny auction at the school before Easter.

Students will also be selling ball point pens during May. Also for sale a little later will be the services of students for gardening, house cleaning, window washing and other odd jobs.

Centennial Fund \$34,000

The following is a list of donors who contributed to the Centennial Fund last week. R. Trudel, Supertest Investments Ltd., Donald McKenzie's Men's Wear, John Ibbotson, L. Tucker, S. Riauka, Gooding & Matt Construction Ltd., Baker Transworld Inc. (Alberta Pressure Control), Skelly Oil Company, Weatherford Oil Tool Co. Ltd., A. Hodgson, M. Reich.

Legion Plans Easter Party

An Easter Family Night will be held for members of the Royal Canadian Legion on Friday, April 1st at 8:30 p.m. in the Legion Hall.

Each child is asked to bring a decorated hard boiled egg. Prizes will be given for the funniest and fanciest decorated egg in three age groups.

Members of the Niton basketball team, winners of the junior tournament held here last Saturday, are shown above receiving their trophy from Mr. D.E. Humphreys, principal of the Drayton Valley Junior High School.

Policemen Finish Course

Two members of the Drayton Valley Municipal Police completed a six weeks police training course in Edmonton last Friday and returned to duty in town. The two who attended were Lyn Fowler and Lloyd Miller.

A new addition to the local force is James Horvath who will start work in about a week and take the place of Les Gamblin who resigned recently after five years on

the force.

The hiring of Mr. Horvath will maintain the strength of the police department at four, the Chief Al Miles and three constables.

The six-weeks course attended by Constables Fowler and Miller was sponsored by the Attorney-General's Department and was also attended by policemen from Ponoka, Lethbridge, Medicine Hat, Stony Plain, Fort Saskatchewan, Taber and Valleyview.

The Expo art gallery will house some 150 masterpieces from around the world.

Good Friday Rally Here

A Rally will be held in the Pentecostal Tabernacle on Good Friday with services at 2:30 p.m. and at 8:00 p.m.

Churches from Edson, Whitecourt, Calmar, Thorsby, and Berrymoor will be cooperating to contribute the music. The Kingsmen Quartet from Edmonton will be in attendance as well as Miss Betty Kokot. The featured speaker will be Rev. Wm. Pipke from Edmonton.

Several New Events Planned For KKK

Judging from the events discussed at a meeting of the Klondike Kamper's Karnival Committee held on Monday evening, Drayton Valley can look forward to a live and varied bill of fare when the Klondike Kamper's Karnival rolls around on July 15th and 16th.

The event will again this year co-incide with the Alberta White Water Canoe Race from Rocky Mountain House to Edmonton in which canoeists from all over North America participate. Newly planned events include a beard and moustache contest - earliest date for starting beards is May 1st and then only after registering with Bill Johanneson at the Town Office - a massed break-fast fly-in, aerobatic display, sky diving exhibitions and many other novel ideas. The parade this year is expected to be bigger and better than ever.

Of particular interest were enquiries from distant organizations who expressed a desire to take part in our festivities and are only awaiting time details etc. in order to lay their own plans.

Reporting for the stage show committee Jack O'Rourke said that considerable interest had already been indicated and that a talent show would be held in the Elks Hall on April 18th to assist in lining up talent for this. The

meeting was advised that there was a possibility that there would be two dances held each night of the festivities - a teentown dance and one for adults.

An interesting item which was reported was the fact that the Alberta Paddlers' Association has included amongst their calendar of events the Drayton Water Festival Canoe Race for September 5th, 1966.

The next meeting of the committee is planned for Monday, April 25th and all members were asked to be present.

Buck Creek News

Mrs. Gladys D. Stec, Correspondent.

The social evening and dance held at the hall was successful. It's very nice to see so many out from nearby towns.

Mr. Garry Wagner was out to visit his grandparents, Mr. and Mrs. F. Simpson over the weekend.

The Willing Workers Ladies Club are sponsoring a Bingo at the hall on April 2nd.

The Community Club meeting will be held at the hall on April 6th.

Don't forget the Church Services held at the hall on April 7th, commencing at 8:00 p.m., Rev. Strachan officiating.

School Board Briefs

At the regular meeting of the Stony Plain School Divisional Board it was decided that at least two Trustees, the Superintendent and Secretary be authorized to attend the School Board Administration Seminar in Edmonton on April 14th, 15th and 16th.

It was moved and carried that paving in front of the Frank Maddock High School in Drayton Valley be financed through the Town of Drayton Valley on a five-year basis.

Purchase of a suitable trophy case and typing stand for the Junior High School in Drayton Valley was approved.

Mrs. E. Lunde and Mr. M.P. Edwards of the Edmonton Indian Agency came to see the Board regarding the possibility of children from Paul's Indian Band in Duffield attending school in Stony Plain. They would like approximately 13 pupils in Grade Eight to take Grade Nine in Stony Plain starting in September, 1966 and then in successive years to have pupils who graduate from Grade Eight in their school to come to Stony Plain.

Tuition fees would be determined on a pro rata basis according to the actual costs as shown in the Annual

Evansburg News

Mrs. Bruner, Correspondent

With all the nice spring weather and the receipt of seed catalogues, it hard to stay inside these days, especially when all in the family are all over the flu they suffered from.

As predicted in last week's news, the Cubs brought their bird houses to the pack meeting, this time with the paint hardly dry. Next time the houses go for inspection, they should be ready for occupancy, barring the nest, of course. Now the boys' attention will be drawn back to the work of earning remaining credits for stars as well as proficiency badges. In a chat with the Scoutmaster, he tells me the boys in the two patrols are beginning to learn the basics of scouting. To all of these boys, scouting is absolutely new, so they will have much to learn.

A district council meeting was held in the curling rink club room on the 24th. At the same time Scouts from the area around held their district Court of Honor. At the meeting, it was decided that the annual district council meeting would be held in Evansburg, in November.

Since this is the first time such a meeting will be held here, the group committee hopes that the people connected with Scouts and Cubs will lend their whole hearted support. Scout movement supporters from Drayton to Whitecourt will be here for this meeting.

The Community League for the village held their meeting on the 23rd. Among the many

Continued on Page 5

Auditor's Statement

It was moved that Grade Nine students from the Paul's Indian Band in Duffield be admitted to the Stony Plain School commencing September 1, 1966.

Reports were received from the Local Health Unit on the various schools in the Division. The following points were brought to the attention of the Board:-

(a) The accommodation provided for health services is quite inadequate.

(b) Many of the drinking faucets could well be improved.

(c) In many cases the

janitorial services are not as good as could be desired.

The Secretary was instructed to acknowledge receipt of these reports.

It was moved and carried that schools in the division be closed from 3:30 p.m. on Thursday, April 7th until 9:00 a.m. on Monday, April 18th for the Easter vacation.

Superintendent of Schools, Mr. F. Hannechko reported that the proposed Vocational Wing for Stony Plain has now been approved by the Division of Vocational Education. Equipment lists will be made up shortly and submitted for approval.

A letter was received from the Secretary of the Drayton

Valley Community Kindergarten Board about the possibility of using one classroom in Drayton Valley for Kindergarten purposes. The Secretary-Treasurer was instructed to advise them that this matter will be considered when next year's enrollment is known.

Editorial Comment

Speed Progress?

In many parts of Alberta small communities are strung out along highways with only a few miles separating them and all competing for the area's trade. Only a few of them progress to the point where they can adequately service all the business, recreational and cultural requirements of the area and many are slowly dying.

In a recent Calgary address Mr. D. L. Makale, a town and regional planning consultant from Edmonton, suggested that many of these smaller communities should be torn down and their residents and businesses relocated to larger centres.

A smaller number of really thriving communities would probably be better from the service point of view -- and those businesses relocated to the prospering community would likely do as well or better with the added volume of trade. However, small towns have been with us for a long time -- they have deep roots and loyal residents and the up-rooting process would be a painful one.

Though we agree with Mr. Makale on many points it is difficult to envision any sort of legislation to carry out his suggestion - it is more likely that we will eventually reach it through the usual process of the strong progressing and the weak doing the opposite.

Congratulations

Our congratulations go out to Mr. Bruce Hogle, News and Public Affairs manager of CFRN Edmonton, who was the only Canadian journalist named a winner in the 32nd annual National Headliners Club competition at Atlantic City, New Jersey. Mr. Hogle was the unanimous choice of judges in the Consistently Outstanding Radio Editorials category.

Funeral Services For Mrs. Florence Gillespie

Funeral services for Mrs. Florence May Gillespie of Carnwood were held from the Carnwood Church on Saturday, March 26th, at 2:00 p.m. with Mr. Arnold Ball of Edmonton officiating. Interment followed in the Carnwood cemetery.

Mrs. Gillespie was born in Ontario on June 10th, 1885 and came West with her husband, William Charles Gillespie, in 1911. They moved to the Carnwood district in the 1920's where they farmed. For a number of years they owned and operated the Lindale Store.

Mr. Gillespie passed away in 1958 at which time she

moved to Edmonton to live. In November of 1965 she took up residence at the Plainview Manor at Leduc.

She was predeceased by her husband in 1958 and a son Donald in 1965 she is survived by 5 sons - Frank and Reginald of Edmonton; Gerald and Gordon of Carnwood and Bill of Redcliff. Five daughters - Mrs. A. (Agatha) Pituskin of Edmonton; Mrs. R. (Dorothy) Gavigan and Mrs. J. (Florence) Johnston of Berrymoor; Mrs. R. (Irene) Davidson of Rainier and Mrs. E. (Vivian) Frantz of Mayerthorpe. There are 43 grandchildren; 44 great grandchildren.

Test Oats Germination

Farmers should check the germination of their oats to be assured of a seed supply this spring, according to Dr. L.J. Piening and D.M.L. Kaufmann of the Lacombe Experimental Farm. Germination trails at Lacombe indicate that the adverse har-

vesting conditions last fall may have favored a fungi which has reduced germination by as much as 50 per cent.

The extent and severity of the germination problem isn't known for sure, says Dr. Piening. Germination tests on part of last year's oat crop

at Lacombe indicate a germination as low as 50 per cent. Many of the seeds that did germinate resulted in weak slow growing plants. Not much can be done about it now he adds, except test germination and look around for a good seed supply if the germination test is not good enough.

Tourist Association Meets In Drayton

Representatives from communities in Western Alberta met in Drayton Valley Monday evening to continue the organizational work of newly-formed Zone 7 of the Alberta Tourist Association.

Election of directors from each community was completed at the meeting which had

CALGARY BREWING & MALTING CO. LIMITED APPOINTMENT

T. H. J. RATH

R. A. Owen, Vice-President and General Manager of Calgary Brewing & Malting Co. Limited, is pleased to announce the appointment of T. H. J. (Terry) Rath as Public Relations Representative for Edmonton and Central Alberta, located in Edmonton.

With his background of 10 years of sales and public relations experience, Mr. Rath is well qualified for his new position with Calgary Brewery. He is a member of the Edmonton Junior Chamber of Commerce, Elks Club, Royal Canadian Legion and Associated Canadian Travelers.

representation from Edson, Hinton, Drayton Valley, Calmar, Warburg, Alberta Beach, Whitecourt and Devon.

Also present were Mr. Dave Williams of the Alberta Government Travel Bureau and Mr. George LeStrange of the Alberta Tourist Association. Both spoke on various aspects of tourism and the work and organization of the Alberta Tourist Association.

Twelve zones have been established in the province with organizational work still going on in several of them. Zone 7 covers a wide area of Western Alberta stretching from Edmonton to Hinton and from Leduc North to Whitecourt.

Promoting tourism within each area is left principally with the directors of the zone and supported by the government by matching dollar for dollar with the zone in projects designed to attract or serve tourists in the province.

Some possible uses of funds that would likely gain government approval were mentioned at the meeting and include tourist reception and information centres, compiling and making available lists of events and attractions in the area, and advertising in a number of different ways.

Registration of the zone organization under the Societies Act will be undertaken and this and setting up a budget, will be major items at a meeting of the board of directors to be held in Evansburg next week.

Cancer Crusade In April

The 1966 fund-raising campaign of the Canadian Cancer Society will get under way April 1st in practically every community throughout Alberta.

G. V. (Van) Roche, Crusade Chairman announced today the Alberta Cancer Crusade is \$421,175.00. The national objective is \$4,466,985.00. Edmonton and district target is \$153,000.

The Crusade slogan, "Fight Cancer with a check-up and a Cheque" will again be stressed during the drive, which will run for the month of April.

Casa Grande, now a National Monument, is a four-storey apartment house built 600 years ago by Salado Indians in Arizona.

"OUR ALBERTA HERITAGE"

RED CROSS SOCIETY

Every day the newspapers are full of incidents of drama, tragedy and suspense. Many of these dramas revolve around the theme of saving human life. Many times these stories have happy endings. They often happen because of the Red Cross Blood Transfusion service.

This service is just one of the many offered by this enterprising society. There's the Junior Red Cross — a vital force for healthy living and good citizenship that reaches school children. The Canadian Red Cross Society in Alberta operates a disaster service, a water safety service and a reunion and enquiry service. Members of this society lead the way in providing surgical dressings, layettes, clothing and bedding to those in need.

We're proud to salute the Canadian Red Cross Society and give grateful thanks for this organization that contributes so much to OUR ALBERTA.

THE

Royal Canadian Legion

BRANCH NO. 269

Curling News

The past weekend saw three rinks journey to Hinton for the annual Men's Open Bonspiel. Milt McMahon skipped his rink to the fours of the grand challenge event. Adrian Meiers went down to the fours of the third event and Matt Leake came home with the picture event. Fifty Fifty-four rinks in all played through five events on ten sheets of excellent ice conditions.

Lloyd MacLean of MacLean Well Service had the great fortune over the past weekend to come up with one of the visions that every skip likes to see but never be against. While playing in the Annual Legion Mixed Spiel Lloyd dropped an eight ender on the head of Adam Mazoroski of Violet Grove. Needless to say Adam never did recover. Playing with Lloyd were his wife Marilyn, Rita and Stan Metelski.

The finals in the sweater playoff were completed last week. In the "D" Event, Ted Reynolds came out on top, in the "C" Event it was Red Mattoon, in the "B" Event, Ken Gillis and in the "A" Event it was Dr. H. Shimbashi.

The event was followed by the quiet hour in the lounge.

Mixed Bonspiel action goes into play this weekend which will officially end the bonspiel season for this year.

Twenty rinks completed play in the recent Elk's mixed bonspiel. Red Mattoon won the points system bonspiel with Paul Joyce and Ernie Zacharuk close behind. Paul won out over Ernie by out-drawing him in a toss off.

Ten rinks played in the annual Legion mixed Spiel. First event was won by B. Johannesson, second event went to Roy Hale and third event went to John MacKenzie.

Ladies Curling

The Ladies Curling Club will wind up their curling season on Wednesday night when the finals of the club bonspiel will be played. A social evening at the club room will follow.

Sylvia Copeman with her rink of Irene Campbell, Frieda Batke and Sunao Shimbashi won the club trophy after a playoff with Nevis LaBranche, winner of the A section.

This has been a busy and successful season for lady curlers with lots of good curling and good fellowship. We would like at this time, to thank all of the members who so cheerfully took their turns at working in the kitchen, the various committees who did their jobs quietly and efficiently and all those who put in that extra effort needed to run a successful club.

Our appreciation goes to the Men's Club for taking over the Kitchen duties during our recent bonspiel.

Couple Feted

On March 19th a number of friends and relatives gathered in honor of Mr. and Mrs. Ted Hovde on their 25th wedding anniversary. A banquet supper served to

about seventy-five people was climaxed with the serving of a lovely wedding cake beautifully decorated by Mrs. Gene Symes. After gifts were opened and appropriate speeches made the balance of the evening was filled with dancing and games.

First Western Show For Photo Collection

A collection of photographs representing the best of scenic and modern abstract photography will be exhibited at Jacobs Studio on April 1st and April 2nd.

These photographs comprise what is called the Traveling Loan Collection, a series of photographic exhibits prepared by and displayed to the public by the Professional Photographers of America, Inc., a national association headquartered in Milwaukee, Wisconsin. Each collection

travels thousands of miles each year and is viewed by the public in museums and art galleries, fairs, photo studios, and all places where public interest demands.

The photographs are selected in annual national competition by a panel of judges, expert in photography. These judges select only those photographs which reflect and represent the best of contemporary photography. Those which receive the top scores in competition are selected for the Traveling Loan Collection.

REGULAR \$875.00

SALE

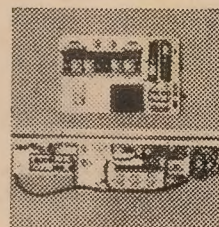

\$699.00

BALANCED SPEAKERS & ENCLOSURES. Two heavy-duty 12" speakers, specially selected to handle high power output without distortion, are balanced with four high-efficiency tweeters in acoustically designed speaker enclosures.

EXCLUSIVE RCA VICTOR "TONE-MIXER". One device simultaneously operates four tone controls—treble and bass on both stereo channels! Allows you to adjust "mixture" of high and low frequencies you prefer, with one finger. Graduated color illumination shows amount of treble and bass response for any position of the tone-mixer. You can see the tone setting at a glance.

RCA VICTOR SOLID STATE CHASSIS is fully transistorized—no tubes, negligible heat means greatly increased reliability of all components. 52 solid state devices: 31 transistors and 21 diodes ALL GUARANTEED FOR 5 YEARS. Dual amplifiers deliver 100 watts of peak power. Frequency response is 5 to 50,000 cps. Push-pull output—special RCA designed power transistors capable of providing full power over the whole audio range.

SLIM NEW CONTROL PANEL is functionally designed for ease of operation as well as visual enhancement of the Victorcraft cabinet. 10 positive-action, individually-illuminated selector switches: Power, Personal Sound, Muting, AFC, Tape, Phono, AM Radio, FM Radio, Stereo, Remote Speakers (patio, den, etc.)

FM AND AM RADIOS both feature: Tuned RF stages for improved selectivity, Tuning meters and Independently-illuminated dial scales. FM stereo indicator light, A.F.C. and four stages of IF on FM. Exceptionally clear FM Stereo reception, without distortion, over-modulation or interference from background music service. Smooth fly-wheel tuning.

ALL-LEVEL FIDELITY is assured through the full range of sound intensity. Correct amount of "bass and treble boost" is automatically provided for all levels of volume. VOLUME control and SPEAKER BALANCE CONTROL are also illuminated. Sockets provided for Personal Sound ear-phones and microphone (optional, extra.)

D. V. Highlights

BY MRS. EDITH DEBY

The Town staff whist party was well attended with twenty six employees and their spouses present. Winners were Mrs. Charles Davies and Mr. Frank Hazzard. Consolation prizes went to Mrs. Frank Hazzard and Mr. Rudy Merschell. During the summer these regular get-togethers will take the form of picnics and cookouts.

It is good to see Mr. Sid Mitchell around again after his stay in hospital.

The news of the resignation of Constable Les Gamblin from the town police force was received with regret. It will be six years in August since Mr. Gamblin joined the Drayton Valley force and in this time he has earned the respect of his fellow towns people. We are sorry to see you go, Mr. Gamblin, and extend every good wish for success in your new job.

Our best wishes for future happiness are extended to Miss Elda Langor and Mr. Alvin Hopfe whose marriage will take place in Drayton Valley United Church next Saturday.

Mrs. Bohdan Urchysyn entertained for Miss Marilyn Marik whose marriage to Mr. Frank Kynoch will take place in Bassano on April 2nd.

We hear that Donald Kynoch, son of Mrs. Gordon Kynoch Jr. and the late Mr. Kynoch, is to be married this month.

Last week Leslie Tucker saw the district's first crow. When someone questioned this, thinking he was mistaken, he replied indignantly that he had seen a crow and

FGA Plans Trophy Night

Pembina Oil Field Fish and Game Association will hold a trophy night in the Goliad Ltd. basement on Thursday, March 31st commencing at 7:30 p.m.

Trophies for 1965 big game and fish competitions will be presented and several outdoors films will be shown.

Guest speaker at the meeting will be Mr. Bruce Stewart of Calgary, representing the Alberta Fish and Game. He is expected to give more information on the hunter training program. Everyone is welcome.

TOWN OF DRAYTON VALLEY

PUBLIC NOTICE

Public Notice is hereby given that a vote of the proprietary electors of the Town of Drayton Valley will be held on By-law No. 356 of the said Town of Drayton Valley.

The following is a synopsis of By-law No. 356:

A By-law of the Town of Drayton Valley to authorize the Council of the Town of Drayton Valley to incur an indebtedness on behalf of the said Town in the amount of \$40,000.00 for the purpose of purchasing certain lands within the boundaries of the Town of Drayton Valley for the purpose of developing into subdivisions for building sites.

A copy of the said By-law No. 356 has been posted and will be kept posted in the Town Office and may be inspected at any time during regular office hours.

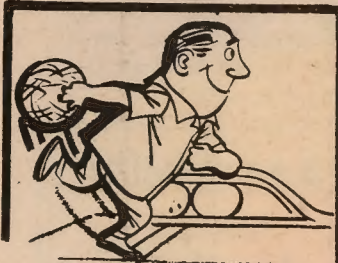

Polling will take place on Wednesday, the 20th day of April, A.D., 1966, between the hours of Ten o'clock in the forenoon and Seven o'clock in the afternoon at the Town Hall in Drayton Valley at Lots 43 and 44, Block 1, Plan 6533 KS, on the South side of 51 Avenue at 52 Street. I will be in attendance at the Town Office on Wednesday, the 20th day of April, 1966 at 8:00 o'clock in the afternoon to sum up the votes and declare the results.

(N.B. At least 10% of the proprietary electors of the Town must vote before the By-law may be deemed to have been submitted to the electors, and at least two-thirds of the vote cast must be for the By-law before it can be declared carried.

GIVEN under my hand and the corporate seal of the Town of Drayton Valley this 28th day of March, A.D., 1966.

W. G. JOHANNESON,
Returning Officer.

Town of Drayton Valley
March 28, 1966.

Legion Members Annual Bonspiel

The Royal Canadian Legion Branch No. 269 held their annual curling bonspiel on Sunday the 27th of March, 1966.

The day proved to be one of our finest - weatherwise - this year. In temperatures ranging in the high fifties and under clear blue skies, melting snow and running gutters, presented an atmosphere quite foreign to curling. However, inside the local curling rink one would hardly know that spring was outside as the Legion spielers fought every end to decide the 1966 event winners.

After the sweepings

settled, the following rinks emerged victorious in the following events: 1st prize and the trophy for Primary Event - The Bill Johanneson rink made up of Phyl Johanneson, lead; Maurice McCullagh, second; and Hazel McCullagh, third; and Bill Johanneson, Skip. 2nd prize in Primary Event - The Bill Davies rink with Clysta Davies, Lead; Rex Burrows, second; Dorothy Burrows, Third and Bill Davies, Skip. 1st prize and trophy in Secondary Event; The Roy Hale rink with Mrs. Fred Schipper, lead; Fred Schipper, second; Joan Hale Third; and Roy Hale, skip. 2nd prize in secondary event: The Lloyd MacLean rink of

Rita Metelski, lead; Stan Metelski, second; Marilyn MacLean, third and Lloyd MacLean, skip. The John R. MacKenzie rink captured the four glass ash trays in the Consolation Event.

Refreshments were served for the curlers during the long day over in the Legion Hall. By the jovial spirit of the curlers after the final game had been completed and all had congregated in the Legion Hall it can only be said all had a fine time.

OPTOMETRIST

IN MEDICAL CENTRE ON ALTERNATE MONDAYS

Lutheran Ladies Meet

Fourteen members and one guest, Mrs. Greta Schnepfer, were present for the March 17th meeting of the Ladies Aid.

Devotion was led by Frieda Buchholtz. Our topic for study was, "What does the Bible say about our Savior in His humiliation?"

Hospital visitors for April will be the following ladies: Rachel Anderson, Gladys Schultz, Crystal Dusterhoft and Pearl Getzinger.

Helga Torgerson and Rachel Anderson will clean the church for April.

A bazaar and bake sale will be held Saturday, June 4th in the Bakery Building.

The Ladies Aid will take part in the Christmas Welfare project which is being planned.

Flowers will be purchased for the Church altar for Easter.

Hostesses for our April meeting will be Jane Zander and Doreen Liske.

In The Legislature

By Mrs. Comelia R. Wood, M.L.A.

On Friday of the fifth full week in the Legislature, item by item study of the estimates for the Attorney-General's Department and the Department of Education, was made. The Attorney-General's department was appropriated \$14,690,580, more than half of which will be used to operate our jails and corrective institutions and for police protection.

Emphasis is being placed on rehabilitation and minimum security programs much as the forestry prison camps.

The agreement with the R.C.M.P. will cost \$3,477,340 in which 646 R.C.M.P. are under contract. This is 31 more than last year. There will be forty-six R.C.M.P. available for policing places over 1500 population requiring them.

A study is being made which might result in juvenile offenders being taken out of the Bowden Institute. Two new institutions for alcoholics might be built and if this happens, juveniles could be transferred to the present Alcoholic Institution at Belmont.

The total estimate for the Department of Education amounted to \$154,986,119 - the largest appropriation in the budget. It provides for an increase of \$20,000,000 in the contribution of the Province to the Foundation program of school finance. The government will also contribute \$1,500,000 to the Teachers' Retirement Fund and to relieve school boards of paying \$1,300,000 employers' contribution to the Canada Pension Plan. Increased money will be available to loan to deserving students for University and Vocational training.

Expansion is to be made at both the Edmonton and Calgary Universities and also at both Institutes of Technology. Hon. R.H. McKinnon, Minister of Education stated that municipalities will raise \$68,000,000 by the 26 mill rate, \$8,000,000 will be supplementary grants and \$100,000,000 will be the direct grant from the Provincial government, to the Foundation Program.

On Monday the estimates for the Executive Council were considered amounting to \$8,577,104. The Research Council received \$2,233,414 for research on the industrial expansion of our Province and the Northern Alberta Develop-

ment Council has \$5,000,000 to be used for the construction of roads and airstrips and to

commence a program of water control.

In The Legislature

Cont. from Page 12

The Department of Industry and Development was given money to continue its policy of giving assistance to promote industry. Publicity programs and tourist promotion will be continued and an appropriation was made to continue Metis Community development in the Northern part of the Province.

The Department of Labour was appropriated money to establish the administration of the new Human Rights Act and continue inspection of installations of power and heat. Apprenticeship training in 24 trades will continue with the Federal Government contributing a share along with the Provincial fund.

On Tuesday, private members' day, considerable time was spent on the resolution asking for an independent commission to study redistribution of the Legislative seats. The resolution was moved by Wm. Dickie, (Lib. Calgary, Glenmore). Hon. F. Colborne, Minister of Public Works, who was chairman of the last Provincial Redistribution Committee in 1961 gave details of the difficulties in trying to arrange equally populated constituencies in a large widely scattered populated

Province. He said if an independent commission could do no better than the one did in the Federal redistribution, especially with one like the Rocky Mountain House one - over 400 miles long and including three separate Federal Parks, he could not agree to have one act in Alberta. Mr. Dickie adjourned the debate.

On Wednesday in the afternoon and evening sessions, study of the estimates continued. The highways budget of \$35,336,840 went through showing some increases in grants for construction and maintenance of roads in municipalities and for roads to Provincial Parks, main highways, bridges and ferries.

The Lands and Forest Department estimate of \$13,150,980 was for a program of management and conservation to preserve our forests, including training of forest rangers and the use of radio facilities and aircraft. \$1,647,800 was appropriated to further develop 44 Provincial Parks which are being more and more enjoyed by Albertans as well as tourists.

Surveys conducted by a leading university show that in any community on this continent more than 35% of the population has suffered definite mental illness with at least temporary disability.
